The Good Health Gateway® Diabetes Care Rewards Program is a private and confidential service provided by MSHG for employees and their families enrolled in a MSHG health plan who are living with pre-diabetes or any type of diabetes.

This program is administered by Abacus Health Solutions and sponsored by your employer/health plan sponsor through the Massachusetts Strategic Health Group.

Available to employees and family members on an active Health Plans Inc. (HPI) health plan of the following member employers of the Massachusetts Strategic Health Group:

Town of Abington

Town of Douglas

Town of Franklin

Charles River Pollution Control District

Metacomet Emergency Communications Center

Town of Medway

Town of Northbridge

Town of Oxford

Town of Webster

Dudley Charlton Regional School District
