

Memorial Beach Advisory Committee Meeting

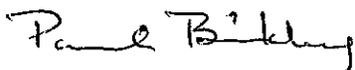

October 28, 2015

Attendance:

Diane Mandile, Paul Brinkley, Deb Keefe, Ray Mullins, Robert Fredrickson

- Meeting called to order at 6:30 PM
- Dispense of reading of the minutes
- Pam Leduc attended our meeting in order to review the financial report and explain certain variances
- Deb Keefe presented information regarding automated access and new ticket booth
- Discussion on different ideas for revenue generation and beautification of the beach ie. Shops, water park, marina, concession stand and automated access
- The committee needs to narrow down some of the different ideas and ask for input from conservation, DEP, community development and possibly a designer
- Ray Mullins presented information regarding fee structure as well as amenities at other beaches similar to Webster. Some of the venues were Town run and some were state run. The state run beaches' fees were lower and the town fees were comparable to ours.
- It was decided to get on the agenda for the selectmen's meeting in order to update the group on any progress or direction
- The committee discussed the importance of input from the community and the possibility of holding a public forum at some point down the road. This item could be discussed with the Selectmen for their input.
- Tasks-> Paul to make a list of ideas that the team has discussed so that we can prioritize it and work through the most important items first
- Meeting schedule : November 19, December 10, December 17 in Irene Martel Conference Room at 6:30 PM
- Motion to adjourn by Ray Mullins, second by Deb Keefe, unanimous vote 8:25 PM

Respectfully Submitted,

Paul Brinkley
