

## **Davis Street Construction starts**

**Monday, April 13, 2015**

### **IMPORTANT NOTICE**

For Users of Davis Street

April 9, 2015

The reconstruction of Davis Street is scheduled to begin on Monday, April 13<sup>th</sup>, and will continue for approximately two months. The reconstruction will include the replacement of underground drainage, sidewalks and the roadway. The reconstruction will require temporary street closures from the easterly intersection with Main Street (across from Church Street) to the French River Parking Area at the bottom of the hill. Parking along this section of Davis Street will be unavailable for the duration of the project. Work will typically be conducted between 7:00 am to approximately 4:00 pm, Monday through Friday. J.E. Boucher Construction of Leominster will be performing the work. Questions about the project should be directed to Carol Cyr, Webster Office of Community Development 508 949-3800 ext. 4004. We appreciate your cooperation in these matters and apologize for any inconveniences.
