WEBSTER WATER DEPARTMENT HYDRANT FLUSHING

The week of April 20 2015, the Webster Water Department will begin flushing hydrants throughout the Town and continue until completed. Flushing of hydrants will be conducted during normal business hours in most areas. We expect the program to be complete within 6 to 8 weeks.

During Flushing operations you may notice dirty or discolored water, please do not be alarmed this is normal and does not pose a health risk. Please check your water before using to avoid this situation.

For further information please feel free to contact the Webster Water Department at 508-949-3861.

THANK YOU
