Officer James Baca  
57 Thompson Road  
Webster, MA 01570

Officer Baca,

On June 3, 2006 you responded to a domestic situation in which it was reported that a man was strangling his spouse. Upon arrival you reacted without hesitation with the proper response.

Your reaction during this ordeal demonstrated your abilities far surpass that of your position and training. As the senior Permanent Intermittent Patrolman you serve as an outstanding example to your fellow officer's.

Officer Baca, I appreciate your efforts, and I wish to commend you for your courage and dedication to the citizens of Webster.

Again, thank you for your efforts and be assured a copy of this letter will be placed in your personnel file.

Respectfully,

Timothy J. Bent  
Chief of Police
