June 22, 2006

Officer Patrick Perry  
57 Thompson Road  
Webster, MA 01570

Officer Perry,

On June 3, 2006 you responded to a domestic situation in which it was reported that a man was strangling his spouse. Upon arrival you assessed the scene and immediately initiated the proper response.

Your reaction during the initial phase of this call demonstrated your ability to make sound and proper decisions without supervision. Under extreme pressure you responded with courage and diligence.

Officer Perry, you are a credit to the Webster Police Department, and I wish to commend you for your courage and dedication to the citizens of Webster. You serve as an outstanding example of the well trained, educated officers that serve on the Webster Police Department.

Again, thank you for your efforts and be assured that a copy of this letter will be placed in your personnel file.

Respectfully,

Timothy J. Bent  
Chief of Police
