Officer Steven Cacciapouti  
57 Thompson Road  
Webster, MA 01570

Officer Cacciapouti,

On June 3, 2006 you responded to a domestic situation in which it was reported that a man was strangling his spouse. Upon arrival you assessed the scene and immediately reacted in a proper and professional manner.

As you have done so many times in the past, you demonstrated clear and concise police procedure. Under extreme pressure, the decisions that you made were correct and precise.

Officer Cacciapouti, as a veteran patrolman you are a credit to the Webster Police Department and an outstanding role model to less experienced officer's. I wish to commend you for your dedication and service to the Town of Webster.

Again, thank you for your efforts and be assured that a copy of this letter will be placed in your personnel file.

Respectfully,

Timothy J. Bent  
Chief of Police
