

Preventive Rewards Program

Nothing is more important to us than your oral health. That's why we've introduced the Preventive Rewards Program. When you choose this benefit enhancement, none of your preventive dental services count toward your annual maximum, allowing you to stretch your benefit dollars.

Here's how the Preventive Rewards Program works:

Let's say your **annual maximum is \$1,500**. Each year, you receive:

- Two cleanings
- Two exams
- X-rays
- Fluoride Treatment
- Sealants

At the end of the year, your annual **maximum remains \$1,500***

The savings add up

Wondering how preventive benefits affect your annual maximum? Here's an example*:

	Without Preventive Rewards	With Preventive Rewards
ANNUAL MAXIMUM	\$1,500	\$1,500
FIRST EXAM	\$30	\$30
SECOND EXAM	\$30	\$30
FIRST CLEANING	\$78	\$78
SECOND CLEANING	\$78	\$78
X-RAYS (FULL MOUTH)	\$105	\$105
FLUORIDE TREATMENT	\$25	\$25
SEALANTS (4)	\$184	\$184
REMAINING MAXIMUM	\$970	\$1,500

That's it – there is no criteria to meet and this benefit enhancement is yours every year.

**This example is based on preventive benefits covered at 100%.
Please refer to your benefit summary for details on your specific coverage.*

Why preventive services matter

Your mouth is a window to your body. Diseases such as cancer, heart disease, kidney disease and diabetes can sometimes be identified by your dentist during preventive services like routine dental exams, cleanings and x-rays.

Prevention plays a key role in good oral health, and that can lead to good overall health. Ask about our Preventive Rewards Program today.
