### **Webster Water Department Temporary Service Interruption**

(Hand Delivered)

October 2, 2024

On **October 4, 2024 at approximately 8:00am** Gravity Construction will temporarily interrupt water service for 4-6 hours to connect the new 12 inch water main to Railroad Ave. Intermittent outages will occur on Market Street and Railroad Ave on Friday October 4th. We are estimating the work to be completed and service restored by 2:00pm.

Customers may experience accumulated sediments in their house laterals and some discolored water. This is normal and will clear after a brief run of cold water at the tap.
