Webster Water Department Temporary Service Interruption

(Hand Delivered)

October 2, 2024

On October 3, 2024 at approximately 8:00am Gravity Construction will temporarily interrupt water service for 4-6 hours to connect the new 12 inch water main on North Main street. Intermittent outages will occur on North Main Street on Thursday October 3rd. We are estimating the work to be completed and service restored by 2:00pm.

Customers may experience accumulated sediments in their house laterals and some discolored water. This is normal and will clear after a brief run of cold water at the tap.

For more information on the North Main Street Water Main Replacement Project, please visit our website at: **www.webster-ma.gov/242/Water-Department**

Please contact the Water Department if you have any questions or concerns at (508) 949-3861.
