Press Release for November 23, 2005

On this day at approximately 1100 hours, Officer Brian J Barnes stopped a car that was trespassing on the grounds of Bartlett High School. Officer Barnes was up at the high school monitoring the parking lots as it was the annual pep rally for the students, and Officer Barnes was ensuring the outside of the high school, as well as the inside, was safe and secure.

The vehicle was stopped and the occupants, Bruce Lovely 22, 39 Quaboag Road Oxford and Stephen Clinton, 19 giving an address of 1 Lyman Street Worcester, were spoken to. Both males were found to have Marijuana, Cocaine, and crack-cocaine on them, 17 pills of the club drug known as ecstasy and a large amount of cash.

Lovely was charged with Poss. Class D, Poss. Class B, both with intent to distribute, conspiracy to violate the controlled substance laws, and drug violation near a school/park. He was also charged with a suspended license and failing to signal, as well as trespassing by motor vehicle.

Clinton was arrested on an outstanding arrest warrant, all of the above charges minus the motor vehicle charges. Clinton first gave Officer Barnes a false name.

The parties were arrested in full view of both high school students as well as elementary students that were leaving school due to the half day. Police seized about \$2400.00 in cash between both parties.

Officer Michael Shaw assisted.
