RE: OUI Arrest

Date: March 11, 2013

March 10, 2013 at approximately 2053 hours, Officer Aaron Suss was on patrol when he observed a vehicle speeding in the North Main Street area. While observing the vehicle, he saw it almost strike a group of pedestrians. After initiating a motor vehicle stop, it appeared the operator, later identified as Carlene Divoll (4/49/71) from 557 School Street in Webster, spit out what appeared to be mouthwash. She also apparently consumed peanuts as well in an attempt to mask the odor of alcohol.

After conducting some field sobriety tests, Officer Suss determined she was operating her vehicle under the influence of alcohol and placed her under arrest for same. In doing this, Divoll then became combative with police and had to be physically restrained to the ground to be handcuffed by Officer Suss and Officer Bruce Hamm who arrived to assist.

Once back at the station, Divoll elected to take a breathalyzer test which read .18. Divoll was charged with the following:

- OUI Liquor
- Negligent Operation of a Motor Vehicle
- Speeding
- Resisting Arrest
- Disorderly Conduct
