RE: Stolen Motor Vehicle Arrest

Date: March 22, 2013

On 3/22/13 at approximately 1353 hours a Green Mazda Mini Van was reported stolen from Sunnyside Farms at 32 Lake Street. The owner had gone into the market and left the van running. That's when Yakouba Sawadogo (10/23/90 49A Lake Street Webster) jumped into the driver's seat and started to drive off. His friend, Mohamed Sandi (8/7/88 49A Lake Street Webster) tried to get in but the owner saw what was happening and gave chase on foot. The van drove off and Sandi fled on foot.

The description of Sandi was given out and Lieutenant Michael Shaw located Sandi entering and trying to hide in the front porch of 49 Lake Street. After speaking to the victim, along with Officer Robert Larochelle, Sandi was placed under arrest. It was also at that time Sawadogo came back to the apartment building via the back yard. After a brief chase, he was eventually located and placed under arrest as well.

The vehicle was recovered on New Street with no damage and returned to the owner. Officers James Young Sr., Aaron Suss, Bruce Hamm, Leonard Gevry, and Detective Gordon Wentworth assisted in the investigation.

Both were charged with Larceny of a Motor Vehicle and Conspiracy. They are being held at the Webster Police Department and will be arraigned Monday morning in Dudley District Court.
