RE: Narcotics search warrant

On July 3rd at approximately 730 am Webster Police Detectives, along with officers of the DEA HIDTA task force executed a search warrant on the vehicle of William Perez-Crespo, 32, of 37 Lake Street Apartment 7A, at his place of employment, Advanced Auto Parts at 107 East Main Street. A small amount of crack cocaine was located and Perez was arrested.

Shortly thereafter, another team of Webster Police Detectives and DEA HIDTA officers executed a search warrant at his apartment at 37 Lake Street. With the assistance of Millbury K9 Officer Dan Daly and his partner Kenzo located a large amount of crack cocaine in the couch.

This concluded a several month long investigation that included Perez-Crespo allegedly making deals while he was working at Advanced Auto Parts in the parking lot.

The total weight of the crack cocaine was 102 grams, with an estimated street value of \$10,000.

Perez-Crespo was charged with Trafficking Cocaine, over 100 grams and Possession of a Class E substance, as there were some prescription pills found in his apartment as well that did not belong to him.

He was arraigned that day at Dudley District Court and released on \$7500 bail.
