RE: Kilo of Cocaine

On August 20<sup>th</sup>, the Webster Police Department received an anonymous tip, alerting them to the arrival of a kilogram of cocaine via the mail. Webster Detective Christopher Trainor, who is also a member of the DEA High Intensity Drug Trafficking Area Task Force out of Worcester, conducted an investigation which resulted in the arrest of Lisandro Bermudez Negrón, 46, 115 Dwight Street Springfield MA. Negrón was arrested on Granite Street in Webster after a brief struggle, and striking a parked car.

Officers from the HIDTA Task Force, the Southern Worcester County Counter Crime and Drug Task Force, Massachusetts State Police Air Wing, and Webster Police Officers assisted in the investigation, and subsequent arrest.

Negrón was charged with Trafficking Cocaine over 200 grams. It estimated to be worth \$30,000. Negrón was held on \$5040 bail at the Webster Police Department. He was arraigned in Dudley District Court today, August 21<sup>st</sup>.

This is the second kilo of cocaine the Webster Police have seized this year.
